Summary Description of Base Supplies and Equipment Warehouse (Building No. 2612)

Layout

Building No. 2612 is a one-story, steel frame building with a front-gabled roof. The building is L-shaped in plan; the main section measures 50'-0" x 220'-0". A flat roof offset on the north elevation measures 30'-0" x 30'-0", and is believed to have been added circa 1975. The building sits atop a concrete slab foundation. The west elevation of the main section has an overhead garage door, flanked by single, six-light, factory sash windows. To the left, on the offset, is a personnel door. The interior of the building is a large, un-partitioned space with no wall coverings. Hanging, commercial lights illuminate the interior.

Alterations/Additions

Building No. 2612 has had no major alterations or additions.

Function

Building No. 2612 has always served as a storage facility.

Significance

Building No. 2612 provided the essential shelter from the elements for much of the equipment and many of the supplies critical to the Plattsburgh AFB mission.
